Welcome address of the Ambassador of the Republic of Kazakhstan in the United Kingdom and the President of the Chamber of Commerce

As a Patron and the President of the Kazakh-British Chamber of Commerce (“the Chamber” or “KBCC”), we would like to take this opportunity to invite you to become a member of this growing organization. Our mission, as a primary business association promoting the countries of Kazakhstan and the United Kingdom, is to further the business interests of all our members using their collective energy and efforts, which is achieved through an active membership.

The most important element of Chamber Membership is the opportunity to network and establish personal contacts with other community business leaders. Collaboration with other regional Chambers and the blurring of political boundaries have enabled us to provide a more effective marketing and networking experience. Another prominent feature of Chamber membership is our ability to lobby effectively in our members’ interests on a variety of issues including trade finance, export credit, taxation, etc.

We are bringing together the entrepreneurial insight and energy of the leading businesses from Kazakhstan and the United Kingdom. By working and sharing our strengths collectively we will continue to move forward together.

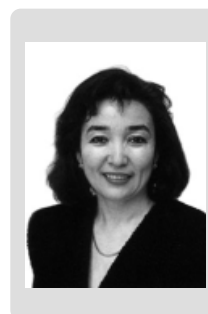

We invite you to join us in working together to reach our goals. Perhaps you have some new ideas that would benefit our Chamber, or perhaps we are working on a project that is of value to you. We welcome your input.

We look forward to welcoming you as our newest member and we promise to treasure the ideas and innovation you share with us.

Yours faithfully,

HE Mr Kairat Abusseitov
Ambassador of the
Republic of Kazakhstan in
the United Kingdom of
Great Britain and Northern
Ireland

Dr Roza Kashkenbayeva
President, Kazakh-British
Chamber Of Commerce

Who we are?

Kazakh-British Chamber of Commerce (“KBCC”) is a primary bilateral business association created with the support of the Embassy of the Republic of Kazakhstan in London and the Ministry of Industry and Trade of the Republic of Kazakhstan.

KBCC's main objective is to help UK and Kazakh members of the Chamber to establish new and develop existing business relationships with a particular focus on promotion and development of exporting capabilities of SME companies in both countries.
